KIPA Industrie-Verpackungs GmbH

YOUR GOODS - OUR PACKING SOLUTIONS

[www.kipa.de](http://www.kipa.de)

## MORE THAN 35 YEARS OF COMPETENCE

The KIPA company was founded in 1980. Through the locations in Bielefeld, Hanover and Magdeburg you profit from the spatial flexibility offered to you by several locations. KIPA offers all benefits of the whole range of services for your individual tasks at all locations.

As a recognized partner of well-known companies for many years our customers appreciate the full-service in line with all needs relating to packaging, storage and shipment. The extensive range of services is rounded off by the delivery of packaging means.

Your trust in us makes this all worth it!

## A DEDICATED AND MOTIVATED TEAM IS LOOKING FORWARD TO YOU.

KIPA is a member of the Federal Holzpackmittel Paletten, Exportverpackung e.V., Bonn

KIPA is a certified specialist company according to DIN ISO 9001:2008 by DEKRA

KIPA is a regulated agent authorized by the Federal Aviation Authority

## PACKAGING BY KIPA

Is a packaging economically useful on site in your company? Or is it recommended to relocate this to the KIPA locations? We examine your requirements and your possibilities and adapt efficient packaging and logistics solutions to your order.

Take advantage of our service:

- Advice on site
- Customized solutions
- Storage of your goods
- Coordination of transport processes
- Comprehensive outsourcing offer

Packaging in accordance with the current HPE packaging guidelines, the IPPC Standard as well as the respective national regulations and customer specifications

- Sea freight
- Secure air freight
- Air freight
- Overland and rail transport
- Container packaging
- Container stowage
- Smallest and spare parts

## DELIVERY OF PACKAGING MEANS

You pack the goods yourself? We supply quickly and flexibly:

- Boxes of all kinds
- Crates
- Wooden constructions
- Packaging materials and many more

Your benefits:

- Customized solutions
- Made-to-measure production
- Short delivery times

## SECURE AIR FREIGHT

Since April 2013, only those freight shipments bearing the "secure" status are allowed to enter the dispatching process for the first time.

KIPA Industrie-Verpackungs GmbH is a „regulated agent“ and is regularly certified by the German FAA (LBA).

## DANGEROUS GOODS

KIPA is the competent partner if it concerns the packaging of dangerous goods. A specially trained team is available to you for advice and processing of the order. These employees have many years of experience and are in possession of the valid certificates for air cargo, sea freight and transportation by road.

## SERVICE

You need personal support? KIPA owns the permanent permission by the Federal Labour Office for commercial personnel leasing. We would be happy to provide you with competent consultation regarding the advantages.
